

Garden State Saluki Club Specialty Weekend, May 6-9, 2011
Garden State Saluki Club Independent Specialty, Friday, May 6, 2011
West Windsor Twp, NJ
Sweepstakes
Judge: Ms. Cynthia Hahn

I would like to thank the Garden State Saluki Club for inviting me to judge the sweepstakes for their independent specialty. It was an interesting and educational experience, and I had fun too. The club has a "bring a dish" lunch and the food was excellent, and everyone was most hospitable. I would also like to thank my generous host and driver, Judy Tantillo, and her husband Chuck, for simplifying the logistics and graciously inviting me to stay in their lovely home. The Philly cheesesteak sandwiches were great (my first taste of a "real" Philly cheesesteak.) I only wish I could have stayed longer.

A few words regarding my judging. I view the Saluki as a hunting dog and I take the words "supple", "well-muscled", "strength/strong" which are all mentioned more than once in the standard, to heart. The first sentence of the General Appearance section is most important to me. Although the standard does not specifically address movement except to mention "galloping and jumping power" and "great speed and endurance", sound, effortless, efficient movement is required to gallop and jump and run fast for long distances. To me, racing around the ring exhibiting TRAD does not necessarily indicate good movement, especially if there is a lot of pounding and effort involved. I would rather see a Saluki move with less extension but gracefully and effortlessly. This is the type of movement which enables a hound to hunt tirelessly. I was rather dismayed to see quite a lot of "paddling" of the front legs with no extension from the upper arm, and some pounding. That said, in each class ultimately my winner was the Saluki I felt moved the best.

I was going to comment on the other things I saw besides movement issues that I didn't like that affected my placements, but I think instead I will give a brief critique of each entrant and mention the things I did like about each dog. I've never met a Saluki that I could not find something good to say about it, whether or not it is a type I like.

18-24 month junior bitch (2)

This was my hardest class of the Sweepstakes, even though there were only two bitches in the class. Both bitches were beautiful and sound and great movers, although each in a different way. It was a very difficult decision to choose between these two.

1. Amala Zacatecas for Impala. 7/20/09. B: Amy L. Charles. DC Impala Chubasco Tooscon, SC x Amala Zahleekha Abd Shalom. O: Lois-Ann Snyder. Black Tri feathered bitch, in excellent condition, strong neck into shoulders, good topline, good front, good underline, balanced, strong hindquarters with moderate angulation, moved with a lot of rear drive but still effortless in her movement.

2. Tazi Biannah. 6/29/09. B: Mary Dee Sist, DVM and Nancy Badra. Ch Aspen's Triple Trouble, CD, RAE2, NA, SC. X Ch Scenario Karob et Tazi. O: Celeste Johnson. Best in Puppy Sweepstakes: Amala Zacatecas for Impala

Best of Opposite Sex in Puppy Sweepstakes: El-Shaddai PS I M Superman

Veteran Sweepstakes

7-10 year veteran dog (3)

1. Ch Eden's Sultan of Khazib, JC, NAJ, CGC. 6/2/02. B: Debra Bumbaugh and Jillaine Butler. Ch Tamarisk A'Arif al Rataki SM x Eden's Gift of Myrrh. O: Celeste Johnson, Debra Bumbaugh and Jillaine Butler. Black Tri smooth dog, powerfully built, moderate, square, strong neck into shoulders, sound mover.
2. Ch Obi-Wan Torias-Dax SM. 5/20/03. B: Mark Heddleston. Bearsrails al-Bes x Obi-Wan Jadziyah Comelightly. O: Mark Heddleston and Sharon Walls. Cream/gold smooth dog, another powerfully built dog, in great condition with well-muscled hindquarters, good deep chest and brisket. Didn't move as well as # 1 today, but sound.
3. Ch Karob King Croesus of Lydia. 3/15/03. B: Owner. Ch Kyzyl Kum Djaazrah x Ch Karob Artemis at Ephesus. O: Branden and Robert Frost. Black fringed gold/cream feathered dog, handsome face, good front, good condition, moved out.

10-12 year veteran dog (2)

1. Ch Desperado PB Stratocaster, JC. 1/14/01. B: Tina Jumbelick. Ch Scenario's Victory Danzz x Ch Desperado PB Kashmir. O: Tina and Richard Jumbelick. Grizzle feathered dog, good underjaw, long neck, good front, moved well.
2. Sanhurst Midas' Touch. 11/11/99. B: Michelle D. Hathorn, Shelley Conrad, Debbie Chiochetti. Ch Jatara's Touch of Suede x Ch Sedgfield's Strumpet. O: Michelle D. Hathorn. Gold feathered dog, nice long neck, moderate in hindquarters.

12 year and older veteran dog (1)

1. Ch Medira Charlie Parker, RN, CGC. 1/14/99. B: Cheryl Holman, DVM and Mary Ridgely. Odi et Amo Ares Elessar x Ch Caristeda Amele A, CD, CGC. O: Mary Ridgely. Grizzle feathered old guy, long neck, deep brisket and underline for a male, shorter coupled, very moderate rear angulation.

7-10 year veteran bitch (4)

Interesting class of two sets of litter sisters of two entirely different types, both lovely in their own way, but the smooth sisters were of a type I prefer.

1. Ch Obi-Wan Jadzia-Daz SM, JC. 5/20/03. B: Mark Heddleston. Bearsrails al-Bes x Obi-Wan Jadziyah Comelightly. O: Mark Heddleston and Sharon Walls. Gold/red smooth bitch, smooth flow from head to tail, loved her outline, good neck into shoulder, good topline and wonderful underline and tuck-up, moderate rear angulation, lower hocks, sound mover.
2. Obi-Wan Kesia-Dax SM. 5/20/03. B: Mark Heddleston. Bearsrails al-Bes x Obi-Wan Jadziyah Comelightly. O: Mark Heddleston and Sharon Walls. Cream/gold smooth bitch, thought I would like her better than her sister as basically what I stated regarding her sister applies to her. She is a little shorter coupled, has more moderate rear angulation which I normally prefer, but her sister this day exhibited a little better topline, her hocks were lower and she moved better.
3. Ch Copper Crest High Society. 8/23/02. B: Owners. Ch Copper Crest Autumn Sage x Ch Copper Crest Altaira. O: Carol Comerford and Alan Welch. Black/silver feathered grizzle bitch, strong underjaw and neck, good front, really moved out.

4. Ch Copper Crest August Moon. 8/23/02. B: Carol Comerford and Alan Welch. Ch Copper Crest Autumn Sage x Ch Copper Crest Altaira. O: Robert and Zaida Durham, Carol Comerford, Alan Welch. Tri feathered bitch, good neck and front like her sister, like the way her forelegs are well set under in front, more moderate in rear than her sister, but preferred her sister's underline, and I thought her sister outmoved her on the down and back.

10-12 year veteran bitch (2)

1. Ch Z'Bee's Zaniah, JC. 7/14/00. B: Deric and Trina Aube, Claudia Jakus, Beverly Griffith. Ch ReighBeaus DontmesswithTexas, SC x Ch Z'Bee's Alura Sarea Sundown, JC. O: Valerie A. Bauer, Deric A. and Trina Aube. Gold feathered bitch, elegant lady with a pretty face, lovely neck, good front, quite moderate in rear angulation and still moving out well.

2. Stonehenge Sanhurst Viruosity, JC. 8/22/00. B: Sydney Jeter Welch. Ch Stonehenge Sedgefield Ammon x Ch Stonehenge Denim Bleu. O: D. Hawthorne. Cream/gold feathered bitch, petite, nice and square in outline, good underline.

Best in Veteran Sweepstakes: Ch Obi-Wan Jadzia-Daz SM, JC
